Important Information Summary of Recent Changes to Your Benefits Under the Teamsters Part-Time Plan

May 2021

With this notice, the Board of Trustees announces the following changes to the Plan of Benefits of the Teamsters Part-Time Plan. If you have any questions, please contact your Local Fund office.

Please read this notice carefully.

This notice makes you aware of certain changes to your benefits and amends the provisions of your Summary Plan Description (SPD). Please keep a copy with your SPD and share it with your family.

❖ Complete Your Annual Information Request Form (AIR)

Please remember that no medical or dental claims incurred in 2021 will be paid until the completed 2021 AIR form has been received by the Plan. Prescription drug and vision care benefits will also be affected if your Local Fund Office does not have your 2021 AIR form on file. During the year, you must notify the Plan if there is a change in the information on your AIR form.

The following change is effective May 1, 2021:

Weekly Accident and Sickness Benefits

The Weekly Accident and Sickness maximum benefit will increase to \$150.00 weekly for disabilities that begin on or after May 1, 2021. Previously, the maximum benefit was \$75.00 per week. The Weekly Accident and Sickness benefit pays 2/3 of weekly earnings up to the maximum (\$150.00) and begins on the 8th consecutive day of disability and is payable for up to 26 weeks.
