Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<b>\$500/person/calendar year; \$1,000/family/calendar year</b>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount. If you have other family members on the plan, the <u>plan</u> begins to pay for one individual once that person satisfies the \$500 individual <u>deductible</u> . The <u>plan</u> begins to pay for other family members once any combination of family members satisfies the remaining \$500 <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive care</u> , <u>prescription drugs</u> , <u>emergency room care</u> and routine vision services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a>
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You do not have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	Medical: <b>\$1,250/person/calendar year; \$3,250/family/calendar year</b> Prescription drugs: <b>\$5,350/person/calendar year; \$9,950/family/calendar year</b>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Balance-billing</u> charges, penalties for failure to obtain precertification, <u>deductibles</u> and health care this <u>plan</u> does not cover.	Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call 800-810-2583 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
