

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call your Local Fund Office. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call your Local Fund Office to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall <u>deductible</u>? | \$500/person/calendar year; \$1,000/family/calendar year | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount. If you have other family members on the plan, the <u>plan</u> begins to pay for one individual once that person satisfies the \$500 individual <u>deductible</u> . The <u>plan</u> begins to pay for other family members once any combination of family members satisfies the remaining \$500 <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u>? | Yes. <u>Preventive care</u> , <u>prescription drugs</u> , and routine vision services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. |
| Are there other <u>deductibles</u> for specific services? | No. | You do not have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u>? | \$3,500/person/calendar year | The <u>out-of-pocket limit</u> is the most each person could pay in a year for covered services. |
| What is not included in the <u>out-of-pocket limit</u>? | <u>Balance-billing</u> charges, health care this <u>plan</u> doesn't cover, <u>copayments</u> , <u>deductibles</u> , <u>coinsurance</u> for <u>emergency room care</u> to treat illness, and penalties for failure to obtain precertification. | Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u>? | Yes. See www.anthem.com or call 800-810-2583 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u>? | No. | You can see the <u>specialist</u> you choose without a <u>referral</u> . |
