**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call your Local Fund Office. Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<b>\$150/person/calendar year; \$300/family/calendar year</b>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount. If you have other family members on the plan, the <u>plan</u> begins to pay for one individual once that person satisfies the \$150 individual <u>deductible</u> . The <u>plan</u> begins to pay for other family members once any combination of family members satisfies the remaining \$150 <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive care</u> , <u>prescription drugs</u> , <u>emergency room care</u> , routine vision services and the first \$250 of <u>diagnostic tests</u> and imaging are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	<b>\$400/person/calendar year.</b>	The <u>out-of-pocket limit</u> is the most each person could pay in a year for covered services.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Balance billing</u> charges, health care this <u>plan</u> does not cover, <u>copayments</u> , <u>deductibles</u> and penalties for failure to obtain precertification for services.	Even though you pay these expenses, they do not count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.anthem.com">www.anthem.com</a> or call 800-810-2583 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
